

## Physicians' group supports proposal to cover the uninsured

Modern Healthcare (6/17, Lubell) reported that "[p]hysicians at the American Medical Association's (AMA) annual meeting in Chicago voted to support [a]...proposal to cover the uninsured, and to study the impact of free clinics on improving access to healthcare for the uninsured." According to AMA board member Cyril Hetsko, M.D., "While we work to cover the uninsured, we need to find ways to care for those in need now."
